

CREATE!

One of the distinctive features of being created in God's image is our ability to be creative.

This year send your children to an exciting and formative V.B.S.! St. Bartholomew's Church will be hosting an Art Camp that focuses on teaching children to be like the wonderful God that made them! We will CREATE! One of the distinctive features of being created in God's image is our ability to be creative, with paint, words, music, and our whole selves! Come join us for a time of learning, creating, and growing into the people God wants us to be!

Each day will begin with songs, games and then a Bible theme which will become the focus of our activities for that day! Watch your children blossom into the creative people they were meant to be. Here they can learn to be themselves and interact with a real, living, creative, and caring God who wants them to be nothing less than an image and reflection of God's own self!

Friday is water park day!
